TEXAS TECH ATHLETICS

We're Back

The month of October has flown by and it feels good to be back in action! Our fall sports have kicked off with Volleyball and Soccer making their moves through the Big 12 and Football getting ready for their final games of the season. As we continue to follow the guidelines and safety procedures set by the university, we encourage you to show your support to our student-athletes any way you can.

Since our time together is limited this year, we ask that you continue to support the Double T Varsity Club by following us on social media and visiting our website as we continue to share updates on things letter winner related. Be sure to frequently check your email as this is how we communicate with everyone. We appreciate your patience during this time, and we can't wait to see everyone again soon. If you would like to update your contact information, please [CLICK HERE](#).

2020 DISTINGUISHED LETTER WINNERS

The Distinguished Letter Winner Award was created to honor Letter Winners who have brought honor to themselves and Texas Tech through their contributions and activities in their communities. Judge Rob Junell and Carolyn Thompson are the first recipients of this award. Judge Junell is a football letter winner who had a long career in law and was appointed by President George W. Bush to the federal bench which was approved by the U.S. Senate. He now is retired and is an active climber. Carolyn Thompson is a former Lady Raider who started a basketball coaching career right out of college. She is now serving as the principal at Matthews Alternative High School and serves as numerous boards for businesses, City of Lubbock, and organizations. Both Junell and Thompson have made great contributions in their respected fields and have proven to be great leaders in their communities. They were honored at the Homecoming game against West Virginia.
